

CF H Svcs C (O) – Physiotherapy and Occupational Therapy Services

Please note that Physiotherapy and Occupational Therapy appointments are cancelled. However, these services are available for eligible military members with urgent and critical conditions at Carling Campus and at Montfort Monday-Friday 0900-1500. We also offer telehealth services for urgent matters during those hours.

Montfort physio clinic: (613) 945-1585

Carling Campus physio clinic: (613) 901-6502

Patients receiving care in the community:

Many of our community partners have adopted similar measures to minimize the spread of COVID-19. If your community clinic has not postponed your appointments yet, we recommend that you do so unless you deem your treatment as critical.

We will contact you to book your appointments once we resume usual services.
